

Hello, my fellow ABATE people. We have a serious fight on our hands. Bigger than the helmet law. They have taken our rights as a rider away and making some of us not sure if it is worth riding or not. You do not have motorcycle insurance even if you pay your insurance and you have the best coverage possible it is not worth didly squat. The vehicle insurance is only thing that matters.....so if the vehicle has great insurance, then you may be ok.... not good but ok...but if they (like most the world) has p.l.p.d then that's what you get. Nothing. And they say you can sue them....ya, good luck. Sue my 18-year-old for his Playstation 5 hahaha!! This is serious and we need to step up fight together and make enough noise till they change this and give us bikers the right to be on the road again. For more information regarding my speal get with your local R.C. and figure out how you can help in this fight.

Next thing.....bowling May 1st. Registration 6;30 bowling 7;30. At 708 Biddle Bowl, Wyandotte. Please come. Please bring a friend and bring their friend also. But please please please r.s.v.p a.s.a.p because it is a smaller bowling alley, I want to fill it up and have a great time, but don't want to leave anyone out due to room. So please get a hold of me if you want a lane dedicated to you and your team.

Third thing.....it's time to ride guys, be safe, be smart, be heard, and have fun. But at this moment with lack of insurance coverage please, please, please be safe. Idiot is contagious and there are plenty of them out there.

Our meeting location is questionable at the moment so we will be doing what Region 15 does the best, accept, adapt, and make the best of what we got as we get it. If you are interested and join us, please contact me and I'll keep you informed on when and where our meeting will be at. It will always be third Sunday of every month at 5;30 p.m just the where part is changing.
