DRESS CODE REMINDER

Please review the dress code in the Parent/Student Handbook. You can find it on our website if you have misplaced the copy given to you at the beginning of the year. Student shirts are to be **white, light blue, or hunter green.** Navy blue is not an option and logos should not be on pants or shirts. Reminder that students cannot use Free Dress coupons on days we have mass. Thank you for your attention to the matter.

CLASSROOM ISSUES

Please make sure you talk with your child's teacher regarding classroom issues. If the issue involves safety or welfare of a student or staff, do not hesitate to talk with me immediately. Above all, please do not ask another teacher or staff member to address the problem or to investigate the issue or give you an update on what is happening. This puts them in an awkward position as they are colleagues not supervisors and may not be privileged to certain information. Thank you!
