

CENTRAL BLOOD MOONS

The purpose of this illustration is to focus exclusively on the Bull's Eye Blood Moon 7-Year interval and its possible prophetic significance. The start of the 7-year interval begins on the Jewish feast of Pentecost, in June of 2011. Perhaps Pentecost could be a pivotal point of reference in considering its possible prophetic significance in time and meaning as it relates to a the conclusion of the Church Age, the Rapture and the commencing of the Tribulation soon after 2018. A timeline will plot the 7-year Interval of the 2 'Bull's Eye' Blood Moons that rarely occur, much less being nearly 7-years apart and in the same constellation and in direct line with Jerusalem. The Zodiac or Mazzaroth in some instances corresponds to Earth geographically to show how it reflects the Heavlies with the emphases on Taurus and its locality on Earth. This local correlates to the 7 Churches of Asia as the Pleiades with the Taurus Mountains in modern day Turkey. The year 2018 will be Israel's 70th year anniversary of its 're-birth'.

7-YEAR INTERVAL OF THE BULL'S EYE ECLIPSE OVER JERUSALEM

THE END-GATHERING AT PENTECOST

Pentecost signals the beginning of the time of an 'end-gathering' or harvest of Barley. It is a time memorialized by the story of Boaz and Ruth in that a Gentile Bride was grafted in and married by a Jewish Nobleman, a prophetic type of Jesus and the Church Age Believers. Pentecost is also associated with Mt. Sinai. It is an events mirrored much like what happened at the Temple Courts, GOD the Holy Spirit and the Disciples at Pentecost. There was Fire, Sounds, Power, going up/down and Trumpet Blasts. The 7-year Blood Moon interval may be a countdown of sorts to the coming Tribulation Period. Perhaps it is a precursor marking-off that time span or the overlap with the actual advent of the coming AntiChrist and building of the 3rd Temple. Perhaps there will be a spiritual 'harvesting' of souls during a Pentecost season where a 'Bride like Ruth will marry her 'Boaz', Jesus Christ.

SOME OBSERVATIONS

- Both "Bull's Eye" Blood Moon will be in direct line, seen from Jerusalem and in-between the 2 horns of the Taurus 7 years apart.
- The 2 Blood Moons of 2011 and 2018 are associated with a Pentecost Feast 'wheat harvest' that occur when the Sun is in Taurus.
- The June 15, 2011 Bull's Eye Blood Moon takes place exactly in-between the Horns of Taurus making 2015 a sort of start point in time.
- The Sun is in the Sign of Taurus during the season of Pentecost -as it was in Mt. Sinai and 50 days after the Resurrection of Jesus Christ.
- The Constellation Taurus with Pleiades mirrors its opposite

HEAVENLY PATTERNS

The Heavenly and Earthly types of the Bull with 7 Stars reveal that the Pleiades of 7 Stars mirrors the Taurus Mountains in Eastern Turkey. In reversed order, Taurus V-shaped head mirrors the V shaped order of the 7 Churches on Earth. Christ speaks in Revelation that the 7 Churches of Asia are as 'Stars' and that His grip on them is so strong -as strong as a bull, that 'no man can pluck them out of His hand' according to the description of the risen and glorified Jesus Christ in book of Revelation.

2ND HALF OF THE TETRAD

If the year 2015 is to herald the countdown to the end of the Church Age and the 3rd Temple to be built, then 3.5 years from 2015 is 2018. Could this in turn possibly make 2018 the prophetic point of the start of the actual 7-Year Tribulation Period or soon thereafter?

MT. SINAI

On Pentecost, Israel gathered together, YHWH came down and Moses went up with for the Tablets. Outwardly Mt. Sinai was full of "Fire, Trumpet Sounds and the Golden Calf-Taurus with Sun in middle.

THE 7 SISTERS (CHURCHES)

According to the Bible, the Scriptures uses a metaphor for Believers and Followers of Jesus Christ, the only Messiah as a Bride. He is presented as a 'Groom' that has redeemed or paid for a 'Wife'. In this case a 7-fold composition that highlights 7 conditions and time dispensations according to the book of Revelation and teachings by the Apostle Paul. Others ascribe, through mythology such similar associations with the Pleiades to the Church, as the Bride of Christ. In this case, Christ being 'Orion' that confronts Taurus the Bull that has bound the Maiden with is fierce Wrath.

It is interesting that according to the book of Enoch, there were 120 Fallen Angels that left their 'First Estate' and mingled with the 'seed' or DNA of Humanity. Such illicit interactions are also recorded in Genesis 6. In a same parallel occurrence, on Pentecost 50 days after the resurrection of Jesus Christ, there were likewise 120 Disciples of Christ that met on Mt. Zion where GOD the Holy Spirit came down and indwelled the Disciples with Power from 'on High'. This Power was to enable the Followers of Christ to be witnesses of the redeeming work of Christ to the world.
