14" I-Beam Frame
 The L3 features a 14" x 15" I-beam frame that is 22 lbs per foot. We also use 14" beam through the neck, risers, and dovetail.

Pierced Beam Cross-Members
 We plasma cut our I-beam frame allowing the 3" channel cross-members for the lowest

Dexter Axles
 Dexter is the undisputed leading manufacturer of trailer axles for over 50 years. Their American made axles are known for safe, reliable, and smooth performance.
