

To the parents of our amazing students,

You have entrusted the training of your child to us, and we would like to make sure you really understand our background and qualifications. We know you see the results of our training, but would like to really introduce ourselves...

We have not only worked in the **biggest shows** on the **Las Vegas strip**, but have **been featured soloists** in those shows. We have secured **starring featured roles**, **performed in Europe, Asia, and with some of the biggest stars in show business**, **national and international television**, **have movie experience**, and **Choreographed for Las Vegas hotel show rooms over the last 20 years.**

We have trained a tremendous number of children. Many have gone on to professional careers on Broadway, TV, Movies, recording careers, and more.

In addition to our group classes and programs, we offer private lessons in voice, acting, piano and guitar in the Summerlin area at extremely affordable rates. Please inquire about current availability at 702-292-8487.

I began singing and dancing at the tender age of 4... my father was a professional drummer, and my mother was a singer. I guess you could say there has always been music in my blood. To this day, I still carry a passion for music, and the performing arts. I wholeheartedly enjoy sharing my knowledge with new generations of performers!
