

Jesus said in Matthew 13:52 that, "...every student of the Scriptures instructed concerning the Kingdom of Heaven is like a house owner, who brings out of his treasure things new and things old."

In this single CD study of the Kingdom of Heaven, Dr. Hohman will bring to light all that is ours as sons of God. Some believers have the mentality that we are visitors in God's Kingdom. Some think that we are children of God but we must plead to God for what we need. But Jesus said that we are "house owners". As you listen to this Kingdom truth, you will be brought into a new dimension of faith for all that our Father has freely given to us and into a new joy of living your life for King Jesus.
