

Headteacher's Weekly News Preparatory School

Thursday 15th November 2018

Dear Parents,

We began our week with the Year 3 Prehistoric Learning Gallery. It was a wonderful opportunity for you to see a showcase of what your children have been working on for their Prehistoric Earth project.

Thank you to all the parents who attended our Parents' Evenings this week. The staff really enjoyed meeting with you and sharing all the great things that your children are achieving at BISAK as well as their areas of development. As always, if you wish to contact your child's teacher, please either write a note in their Communication Book or email the Prep Office at PreparatoryPA@bisak.org.

We are excitedly looking forward to our first Science Week, which is taking place next week. The pupils will be learning a number of fascinating facts and attending a variety of presentations throughout the week. Please don't forget to join us for the Science Galleries taking place in the respective year groups where you will be able to view some of the activities your children have been doing. Please see the Key Dates and Notices section for further details on which days you can attend.

There have been a few occasions where the food item your child has ordered from the canteen has not been available. Please could you ask your child to select an alternative option in case their first choice is sold out.

Have a great weekend.

Kind regards,

Darren Aisthorpe
Headteacher

LETTERS SENT HOME THIS WEEK

Preparatory School

Letters dated 15th November:

- *Nursery to Year 6 - Preparatory Assessment and Reporting*

IMPORTANT NOTICES

- We would like to remind parents about our school policy regarding pupils going home with their friends after school. For safety reasons, pupils must return to their homes with their regular transport, with any onward arrangements made from there. They are not permitted to go home with their friends directly from school.
