KIWANIS MEETING OF April 17th, 2017

President Pat led the meeting, said the prayer, and led us in song. We sang Daisy Bell, Show us your "K", and the Packer Fight Song. Nine members, one guest Gerry Germaine, and our speaker John Sowinski enjoyed a lunch of Chicken Salad Sandwiches, Chips, and a Salad. Three members had happy dollars: Emmett, Joe, and Rick.

President Pat informed us that we made \$400 at the fund raiser at Hu Hot. So far our fund raisers there has allowed the club to purchase five I-Pads for children with Autism. Our next fund raiser is our Pancake and Porkie breakfast from 8:00 to 11:30AM Sunday May 8th.

Our speaker this week was John Sowinski, of Custom Health Pharmacy. His company mixes drugs the old fashion way by compounding which allows for exact amounts of the drugs to meet the doctors prescription. It allows for the solving a problem in a unique way often by mixing two or more ingredients. Some insurance company's will not pay for drugs manufactured by compounding due to past problems with pricing abuse.

The compounding of drugs allow for a multitude of drug delivery methods not found with the large drug company. Thanks john for an interesting program.

Upcoming programs over the next few weeks include the following:
