KIWANIS MEETING OF July 15th, 2019

We had a total of 16 attend our meeting. Attendees were Bob F, Rick, Anne, Bob R, Maria, Cheri, Bill, Ben, Vince, Nancy, Pat, Doug, Emmett and Ruth. Also attending were our speaker Lynn Messer and his wife Merita Messer. Maria led the meeting, Ben said the prayer, and Anne led us in song. We sang Take me Out to the Ball Game and America the Beautiful.

Lunch consisted of a salad, sandwiches and potato chips. Names in the news was DR Bob Crowley, whose daughter is joining his dental practice. Good news, Anne's husband has finally had his wallet returned from the Uber driver in Denver. The Brat Barn which was held last week Friday was a big success. It ran from 8:00 AM until 530 PM and the club made a profit of \$570. Thanks to all who worked the event. Special thanks go out to Rick who again coordinated the event.

Our speaker this week was Lynn Messer who seven years ago, while Kiwanis Governor made "I-Pads for Autism" the districts Signature Project. Lynn had a goal of raising \$500,000 for 1,000 I-Pads to be distributed to children with Autism within this area. So far he has distributed 1,110 I-Pads and has a growing need for more I-Pads. The cost to purchase the I-Pads from Apple range from \$350 -\$450 each. Most of the money raised for the purchase of the I-Pads has come from Kiwanis clubs in the district.

Joe Jacques had also personally contributed for the purchase of additional I-Pads for Autism. That practice was continued by Maria Jacques who presented Lynn with a check for \$1.000 for two more I-Pads for Autism.

Our program next week July 22nd will be our Scholarship presentation to Sebastian Geo from Preble.
