

HENDERSON LAKE NEWSLETTER

May 26, 2022

Mike Kujawa and Bill Olsen, Editors

Loon Report: The Loons returned again this year within about 24 hours after the ice left which was April 17-18, 2022. As of this writing, it seems they have nested near their usual location along the south bay shoreline. To be safe, please stay away from this nesting area so they don't feel threatened or pressured.

Winter Ice Party Fundraiser / Fishing Report: The Winter Ice Party (February 19, 2022) event was quite successful in spite of a pounding northwest wind. Approximately 65-70 folks braved the bitter weather to attend the Ice Party throughout the day. After expenses, the event netted \$2,616 for purchase of fish stock this year.

A Catch & Release Bass Fishing Tournament is being planned for Saturday, June 11 (6am-noon) which is a DNR Free Fishing Weekend. Unlike the Winter event, this is only for Henderson Lake property owners and their immediate families. Please follow the Henderson Lake Facebook Group for further details like tournament registrations, rules, participation in raffles and Henderson Lake T-shirt sales. All proceeds will be used to purchase fish stock for Henderson Lake.

2022	30 gallons Fat Head Minnows on May 18
2021	1050 Black Crappie (4-6"), 200 Largemouth Bass (5-8"), 15 Walleye (6-8")

2006	500 Bass (5-7"), 160 Black Crappie (4-6"), 160 Hybrid Bluegills (4-6")

Lake Health Management: The Special Assessment District (SAD) which provides funding for aquatic management of our lake was renewed for seven years (Dec. 2019 – Dec. 2025 winter tax bills) by Cumming and Hill Townships. The overall health of Henderson Lake is A-Rated in large part because of funding from the SAD. The assessed monetary amount and technical content of the SAD did not change.

Invasive species of weeds (Eurasian Water Milfoil, Starry Stonewort, Curly Leaf Pondweed, etc.) found anywhere in the lake, and nuisance weeds only along the developed shoreline out to five feet of water depth are being treated. **Please see HendersonLake.org for downloadable copies of all the various reports and studies.**

Henderson Lake Fishing Club Volunteers:

North End	Ron Chapman, Dave Attenberger, Mike Kujawa	50
Allen Sub	Bryan Pepper	25
Henderson Heights	Dave & Adam Skornia, Brad Bellville	30
South End	George & Barb Losee, Bill Olsen	85 = 190

Basic Family Donation \$ 30.00 (More is always welcome!)

- Practice **CATCH AND RELEASE!** Please do not keep all that you catch.
- Keep a rake-by-the-lake to remove / clean-up weeds washed ashore. Milfoil spreads by fragmentation, so get those weed fragments out of the water.
