

COMOLDCO CORPORATION

Quality Compression Molding

Quality Policy

Comoldco Corporation provides moulded and assembled thermoset products and supporting services and is committed to satisfying customer, regulatory and industry requirements.

We are committed to continually improving our Business Management System by:

- Setting and reviewing objectives
- Regularly monitoring and reviewing risk and opportunities

In support of our strategic direction our key objectives are:

- ✓ *Customer Satisfaction*
- ✓ *Process Efficiency*
- ✓ *Quality Product*
