

PHANTOM® BLACK LATEX PF EXAM GLOVES

Phantom latex exam gloves have received some of the highest ratings from tattoo, piercing, body art artists, and hair salon and beauty professionals. Their distinct dark black color masks stains, inks and dyes during use.

Because of their dark black color, and their stretchability and dexterity from natural rubber latex material, they are also the preferred choice of law enforcement agencies, correctional facilities, fire departments, homeland security and postal facilities

The textured surface provides superior grip in both wet and dry applications.
