AGENDA COMMUNICATION

DATE: June 1, 2021

SUBJECT: AGENDA ITEM NO. 9

IN-PERSON MEETING LOCATION:
Pilot Point ISD Administration Office
829 S. Harrison St.
Pilot Point, TX 76258

DISCUSSION AND POSSIBLE ACTION ON TEXAS ALLIANCE OF GROUNDWATER DISTRICTS SPONSORSHIP OPPORTUNITIES.

ISSUE

The Texas Alliance of Groundwater Districts ("TAGD") is asking for help with sponsorships at the upcoming Groundwater Summit.

BACKGROUND

The TAGD is an important voice/advocate for groundwater conservation districts ("GCD") across the state as they are active in the legislative process as well as providing a resource to keep the staff, attorneys and consultants up to date on the happenings in the Texas groundwater world. TAGD is a very lean operation (2 employees) whose revenue primarily consists of member dues and meeting registrations. The District staff believes they are an invaluable resource who do a lot with a small staff and budget. TAGD has contacted the District requesting that we participate as a sponsor.

CONSIDERATIONS

According to their website, there are at least 10 GCDs who have already committed to some level of sponsorship for the event. There are more who sponsor various events (business meetings, newsletters, cybersecurity training, etc.) throughout the year.

There are several different sponsorships available which are detailed in the attached documents.

RECCOMENDATIONS

The staff requests direction from the Board on this matter.
