SUMMER UPDATE

PRAYER LETTER

CAMP AND EVANGELISM MINISTRY

Please Pray for THE
NOSEWORTHY
FAMILY

GREETINGS! *We pray that our letter finds you and your church well! We wanted to utilize this months update as an opportunity to highlight what God has done this summer and share some pictures of the improvements that many of you have either given towards or have prayed for. Enjoy!*

A Sight to See

As our 2022 programs started, one of the first things that our campers saw as they drove up to camp, was our brand new roof! As many of you know, this was a project that needed to be done for quite some time. God not only provided money towards the funds, but He also provided an excellent contractor who did a wonderful and quick job! We are so very thankful for all of those that gave. If you would like, you can still give towards the fund to help us with the rest of the expense.

Dining in Style

Not only were we able to install our new roof, we were also able to accomplish a HUGE makeover in our dining area. We ripped out the old drop ceiling and we painted every surface in the dining area. We hung new lights and recovered our tables. This project could not have been accomplished without the many volunteers who gave their time and resources to get this done!. It was a huge undertaking that only cost us the lights and paint! Praise the Lord for willing hands!

Great Attendance

All of this work was not in vain! God sent over 140 campers during our 3 weeks and we saw amazing things that only God can do! Over 4 weeks of various programs, we saw 28 churches participate and 58 first time campers. We also saw 12 precious souls accept Christ as their savior 3 surrender their lives to the Lord and countless other decisions were made! None of this could have happened without your support whether in prayer or financial. God is so good to us! Please continue to pray for us as we have a mens retreat coming up and we begin the planning for next years activities!
