'But if anyone causes one of these Little Ones who believe in Me to stumble, it would be better for him to have a Large Millstone hung around his Neck and to be drowned in the Depths of the Sea. Woe to the World for the causes of Sin. These stumbling Blocks must come, but woe to the Man through whom they come!' -Matthew 18:6-7

The purpose of this study is to provide the list of direct and primary sources that prove that all COVID-19 Injections have been derived from Aborted Baby Tissue or 'Cell Lines'. It is not just 1 or 2 Aborted Babies but 100s of them although the Cell Lines of certain ones are replicated and sold on the 'market' as commodities for Laboratory Research. In this case, the development and manufacturing of not only COVID-19 type of 'vaccines' but other types of vaccines as well. The argument is that the COVID-19 Injections 'do not have any Aborted Baby parts'.

There are those that object to his practice, either out of a Religious Exemption, or purely on a Moral Basis to forgo the required mandated COVID-19 Injections, and the like. The following Declarations and/or Supporting Statements are based upon Biblical/Religious Beliefs that are contrary to the Practice of deriving vaccinations from Aborted Babies. For the purposes of the Declaration and/or Statements, numeration and capitalization of certain words and/or phrases will be used for emphasis.

Those who are 'Religious' and/or Body Conscious strive to keep one's Body free of Contaminants, as much as humanly possible, this to include 'vaccinations'. One is coming from a Biblical interpretation that has a more Orthodox Alignment with the Commandments of the Bible, to 'Choose Life', etc. This is especially true in the admonition to not take the 'Mark of the Beast' as taught in Revelation 13:17-19 and Revelation 14:9-11. To do so, would damn one's Body and Soul to the Eternal, 'Lake of Fire'. One cannot agree to kill and damn one's Body and Soul and that of Others as one believes this new mRNA technology in 'vaccines' will lead to.

Although others could argue that the COVID-19 Vaccine Mandate is not the 'Mark of the Beast', one is increasingly alarmed how the incremental steps to lead to such a reality is now the reality. One cannot enter a Public Establishment now without proof of receiving the COVID-19 Injection on the Right Arm. One cannot 'Buy or Sell' in many commercial settings to include travel and now a condition of continued employment at one's job. Thus, one not only believes that this COVID-19 Injection is dangerous to one's Body because of what it contains but also that it is a danger to the World at Large.

Immoral Experimentation

One believes that it is putting People's Body's and Souls in peril of Eternal Damnation. One cannot go along Consciously and Biblically, with this COVID-19 Vaccination Mandate. How can one believe these COVID-19 Injections are the pre-cursors of the Mark of Revelation? The 'r' in mRNA stands for Recombinant which means spliced sections of 'Animal DNA' (Cows - Monkeys - Pigs) are introduced to one's Living Cells. These Spliced Genes cut-out Strands of one's DNA and inserts themselves into their place. Thus, the COVID-19 Injections are not a 'vaccine' in the traditional sense but a "Gene Therapy" Medical Application to the Human Body. With this change at the Genetic Level, one thus sincerely believes that it this the forerunner of the Mark of the Beast.

If one's DNA is being altered to 'Buy or Sell' without it or cannot travel without it, it is the precursors to the Mark System. The decision to Not Consent to the mRNA type of COVID-19 Vaccines is based primarily on one's Religious Belief, Biblical Interpretation and Conscience to live by YHVH's Commandments to not harm one's Body and that of others for any benefit of one or others. This was the outcome of the Nuremberg Code that stipulated that although much Medical knowledge was derived from the Death of countless, Men, Women and Children, that sort of Scientific Research was and is Immoral.

Such subjects, in this case, unwilling Human Being under Nazi subjugation providing a 'Medical Benefit' are to be prohibited, even if a Life Saving Benefit is achieved by their 'Sacrifice'. Why? They, like Aborted Babies did not agree nor provided Informed Consent to the Experiments they were inhumanely subjected to. Thereby, one sincerely holds to the belief and conviction that COVID-19 Injections are in direct violation of YHVH's Commandments.

It as a Commandment to not take or benefit from taking the Life of an unwilling Aborted Human Being into one's Body as that could essentially have consequence of endangering one's Soul, Eternally to be subject to judgment and condemnation. YHVH prohibits the taking of Life and the derivation of said COVID-19 Injections are made with such Cell Lines. The specific type of Vaccines derived from Aborted Baby Cell Lines are as noted below and that are also associated in many cases with the new mRNA COVID-19 Medical Devices.

- 2-Moderna
- 3-Johnson & Johnson
- 4-AstraZenica
- 5-Sputnik V
- 6-CoronaVac

Religious Objections

Based on 1.5 years of Research, as the Sonoma State University's Testing Officer and Statistician, one can come to understand that the COVID-19 Injections do contain Toxins and derived from Animal an Aborted Baby Fetal Cell Lines. These along with Lipids, Hydrogel, Graphene Oxide, Poly Ethaline Glycol, Nano-Technology infused in never-before tested mRNA technology will be incorporated into every cell of the Human Body.

Thus, based on one's Risk Factor of Death, one feels anxious of being coerced, mandated or forced to take this Gene Therapy Medication derived from Aborted Babies. This standard was developed in United States v. Seeger and Welsh v. United States that even in a pandemic, one's Civil Right cannot be set aside. Concerning is also the fact now that the COVID-19 Injections have proven not to be effective in spreading Infection nor acquire effective Immunity, nor prevent Transmission.

And the Vaccinated, still have to wear Masks, etc. Due to my Religious Practices, Conviction, Interpretation of Biblical Scripture and Lifestyle to include Moral and Ethical Beliefs as to what is Right and Wrong, one sincerely holds that these COVID-19 Injections are dangerous, poisonous to the Body and the Soul.

It is what is warned about in the Bible that it will spiritually predispose a Congregant and Follower of Jesus Christ, such as oneself to Damnation by inflicting Eternal Dearth through one's Body and that to Others also by way of this COVID-19 mRNA type of Medical Procedures.

This Religious Exemption Request is based on the Doctrinal Mandate to abstain from any Medical Procedure, Devices and/or deemed and defined 'Vaccinations' which are the Product of Immoral Production. This argument is based on the support and advice of one's Pastor that is in agreement and against the introduction into one's body of the COVID-19 Injection.

It is based on the tenets of my Churches that prohibits vaccinating its Members. The following is detailed list of all those Corporations, Labs, Universities and/or Agencies that have derived their vaccines using various Aborted Fetal Tissues, or Cell Lines. And how given such an understanding, it would be a violation of one's Christian Faith to receive the following Corona Virus mRNA and DNA type of Vaccines. One condemns the purposeful Death and Harvesting of Biological Material from a Human Being without their total Informed Consent.

As mentioned, these said COVID-19 Medical Devices injected into one's Body and those of Others will then be able to afford one to work and thus to continue to 'Buy and Sell' and only then be more freely able to be allowed to participate in Society, publicly and/or otherwise. The specific type of Vaccines derived from Aborted Baby Cell Lines are as noted below and that are also associated in many cases with the new mRNA COVID-19 Medical Devices.

The following are Biblical Interpretation of Scripture has proclaimed the following supporting any Congruent and Follower of Jesus Christ to resist, refuse and abstain from receiving Vaccinations to the said facts/evidence presented. This would make it a contradiction to one's Bible-Believing Faith to receive these types of COVID-19 Vaccines. On this basis, most of the above-mentioned vaccines are condemned because of their usage of HEK-293 in the development or testing of their COVID-19 Vaccines.

Thus, to reiterate, therefore, one opposes the COVID-19 Vaccine as a threat to one's Eternal Security in Jesus Christ due to the inclination to achieve the eventual machinations that will result in the Mark of the Beast and allegiance to the coming Anti-Christ. One also believes that this is especially important, and one believes this would be a contradiction of one's Christian Mennonite Faith and thereby should not be mandatory or a condition of Employment.

One cannot willfully condemn oneself to the Lake of Fire or others by condoning this COVID-19 type of Medical Procedures being infused into every Living Cell of the Human Body. This is not difficult to believe, at least in an American context, given that Big Pharma is notorious for its corruption, and the primary supporters of the distribution of the COVID-19 Vaccines are the unelected Elites of Society and the Mainstream Media that are pushing the Mandates. This implicates, not just vaccines produced with Aborted Fetal Cells, but ALL COVID-19 Vaccines against Corona Virus, to include endless 'Boosters'. This is of great concerns as one feels that one will not be physically able to resist any possible Adverse Effects due to my weakened Medical Conditions.

Therefore, there is Reasonable Suspicion of the COVID-19 Vaccine, and it is within all Appropriate Logic to avoid it based on one's Religious Beliefs and Biblical Convictions and Human Conscience. In the Bible, the context of the Mark of the Beast is as a War in which there are Spiritual Forces at work that seek to 'De-Humanize' Humanity. And it cannot be done through mRNA Technology that the COVID-19 Shots precisely have.

All of the above is a confirmation that it is not only one's right to not be subject to the COVID Vaccine, but one's duty as a Christian to warn others of preventing Bodily Damage, Harm and Death by Medical Treatments whose entire content will not be fully disclosed publicly. It is contradictory to the warning of Jesus Christ, whom one believes is the Creator of whom Humanity is created in His Image and Likeness.

The Bible teaches that it cannot be justified to take anything or to do anything to one's Body or that of another Human Being that will endanger it, harm it or cause not only its Physical Death, but its Spiritual Death. It is for these reasons that I am requesting, through the appropriate channels, an exemption to the Mandate to receive the COVID-19 Vaccines.
