

## Many Shooting Courses and Scenarios

This is the most realistic shooting experience you can get! There is no danger at all. The guns pop and cycle when you shoot. You can change magazines. You cannot get this type of training on a firing range! True to life and realistic shooting that will get your adrenaline flowing. Shoot or be shot or stabbed! Shoot or a shooter takes out another person. Shoot the wrong person. Make fast life or death decisions without any danger at all!

*Hundreds of range course combinations and HD video scenarios*

This ultimate shoot/don't shoot training simulator has hundreds of range courses including paper and steel targets, plates, moving targets, quick draw, multiple threats, HD video scenarios, and more and we bring it to you to help you have the ultimate party or event.

Our 24' self contained air conditioned trailer can be set up at any event or party. This is the only mobile unit of its kind that we know of.

We can qualify participants on-site to apply for their concealed weapon license.

This is completely safe!

Visit [www.rangetrainer.com](http://www.rangetrainer.com) for complete details or call or email us to schedule your ultimate event or party. We are booking up fast because there is nothing like this available in our area!

We also teach CPR certification classes, concealed weapons and G License courses. Train at our facility in Stuart, Florida or we bring the Simulator/Concealed Weapon or CPR/AED training to you.
