

“The fastest way to change yourself is to hang out with people who are already the way you want to be.” — Reid Hoffman

Hello Corvette Friends,

We've been saving the date for a while and now it's finally here...the Color Country Corvette Club Anniversary BBQ! First, a HUGE THANKS to Gary Grosjean & Pam Anderson to volunteer their humble abode for our party. And when I say humble, I mean on FIRE! He's got a gorgeous pool, outdoor bar, basketball/pickleball court, putting green, batting cage, and a Party Loft! Gary even hooked us up with Smoke N Tacos who just so happens to be his neighbor. So bring your swim-trunks, your appetite and a party attitude. Gary and Pam, you are the awesome-est power couple, THANK YOU!

NOTE: MUST RSVP for Catering
