Producer's Notes

Le Coq Merlot is an exclusive Sichel family project developed for consumers seeking purity of fruit and a modern Bordeaux style with no oak influence. Merlot holds special significance for Famille Sichel as the first grape variety they cultivated and the one they produce the most, including vineyards at Palmer, Angludet, Argadens, Daviaud and Bel Air Winery. The wine is produced with cool fermentation and little extraction, resulting in an easy, round and approachable expression of Bordeaux Merlot.
