

Vocational Support

Step By Step
Supportive Services

Step By Step encourages individuals to pursue their vocational and/or academic goals. Our Vocational Specialist provides individualized support in helping clients to with various disabilities to find and maintain meaningful employment.

Components of the program include:

- Assistance in enrolling for school
- Help in applying for jobs or volunteer positions including resume building, cover letter creation and mock interviews to develop a comfort level prior to an actual interview
- Time management skills
- Ongoing support and assistance with holding existing job or volunteer positions.

Step By Step Supportive Services, Inc. is a private, non-profit organization relying on client fees and tax-deductible contributions.
