

Merry Christmas Region 20!!!

Due to the recent cancelations thanks to Governor Whitmer, we did not have a meeting last month. As of now we are still going ahead with Seminar on January 15-17, 2021. We really hope to see everyone there. Make sure you book your room in advance. There isn't much to report on the legislative side. We do have the legislative dates for next year's schedule available thus far. We are still pushing for SB-528. Just because things slow down, doesn't mean we do. There is still a fight for our freedoms in the motorcycle world. Let's not lose sight of that. During these times I would like to ask all members who aren't MRF members to sign up and those who are to make sure your dues are up to date. We still have things to do in D.C. as well and hopefully things will get back to somewhat of a business as usual mindset. If you haven't voted for member of the year, please get with Bus and let him know your opinion. That's all from me right now. Looking forward to seeing everyone in Saginaw in January. Stay Safe everyone. Have a Merry Christmas and a very Happy New Year.
