

Middleburgh Central School Alumni Association

The Class Picture Restoration Project

The main hall of MCS is lined with Class pictures dating back to 1899. Several pictures are also located in the High School office and side hallway. Some of the pictures have faded and/or are stuck to the glass. A few of the faded pictures are close to being lost forever. This project involves restoring some, and digitalizing all, of the photos so that they can be printed when needed. The Alumni Association is asking for help with the cost of this project. Send donations to the MCS Alumni Treasurer: Nancy Wolfe, P. O. Box 124, Schoharie NY 12157.

Thank you for your continued support!
