\$125 CDN for One Month Acrylic Landscape Workshop

What You'll Get

- **One month of Acrylic Monochromatic Landscape Workshop.** Includes:
 - Classes, your choice of time on the week days depending on availability on schedule
 - Classes 1.5 hours once a week
 - One-on-one art coaching/mentoring 60-minute session –**Value \$130.00**
 - Materials:
 - Acrylic Paints: Black, White, Red, Blue and Yellow
- **Description:** The most difficult composition to master are night scenes. Barbara will teach the importance of values and how they come into play in a monochromatic painting. Understand the importance of light and shadows in your art and easily apply them once you have learned its secrets. If you are an advanced artist, learn how to take this technique to a more advanced level using other acrylic mediums.
- **What you need to bring:**
 - Your own brushes
 - Your choices of acrylic paint colors
 - Sketchbook for practicing
 - Your own canvas: (I suggest buying a canvas pad 12" x 16" of (10) sheets from Deserres or any other art shop).
- For your success, it is recommended you spend two or more hours each week outside of class to work on your project.
