USPSA Account balance: \$2,153.63

Range Fees for the month, Pistol=\$380, Wedge=\$219, Rifle=\$475, Trap=\$3,081, Punch Cards=\$150.

Report of Committees:

Pistol/Rifle Range: Dick Cox will contact Cal.net about getting wifi at the pistol/rifle range.

Dave Longcor reported on the costs for replacing the roof at the rifle range. Motion was made, seconded and unanimous vote to approve the spending of \$14,000 and ordering the services to replace the roof as soon as possible.

Trap Range: Karen Beckman requested that the mudhole in front of the connex be filled. The motion was made, seconded and unanimous vote to spend no more than \$700 to accomplish the filling of the mudhole.

There was a lengthy discussion about moving the connex box up to the shotgun pattern board area. Larry Ward provided much needed insight into this matter. Larry offered to let the club use his forklift one more time before he leaves for Montana to move the targets from the delivery truck to the connex.

There was discussion of using the gate at Rattler Ridge for delivery of the targets. Larry Ward says it is the Club's gate (he has the key) and could be used for transferring the targets. It is strictly a utility/service road.

Larry Ward's wife has made a basket for a prize at the Winter Dinner. Thank you to Mrs. Ward.

Jr. Trap Team: Bill Foster reported that there are 20 youth Jr. Trap shooters and anticipating five or six more to join. They have added five new coaches, two Jr. shooters and parents took the NRA Coaching Certification class. Motion was made, seconded and unanimous vote to allocated \$2000 for the Jr. Shooters for administrative costs. The Jr. Shooters are willing to help at the Winter Dinner.
