

“NOT EVER”

I feel a strong unction to encourage you. God will never break His promises to you. Not today, not tomorrow, NOT EVER! God KEEPS His promises always! Do not allow yourself to get into a doubtful spirit. Moving in faith is what you are called to do. It's part of who you are. You have value. You do have purpose. Your life has meaning.

You are important and you have been created for a purpose. Do not doubt that you have important part in the Kingdom of God. What He said He would do, He is doing. Do not doubt what you cannot see. He is there. You cannot see the air but do you doubt that it is there?

He is at work on your behalf. He is Mighty. He is God. You cannot see Him, but friends, He is there. He is already moving on your behalf. He is already answering your prayers. He sees those desires of your heart and He is well pleased.

He is constantly at work in your life and the lives of those you love. He doesn't punch a time clock, He doesn't have set days to work and He is always at work in your life even if you can't see it. You are part of His kingdom, you are part of His purposes, you are part of His plans and your ways are ever before Him.

We must grab hold of the truth to understand God keeps His promises. He has never deserted His people in their time of their need. We must walk in faith that He has His eye on His divine promises to us. It is when we look to His Word that we find truth and the truth sets us free.

You my friend ARE that important to God, and He says you are worthy of His attention. God says- you are loved unconditionally. God says- you are accepted by Him. God says- you are adopted into His family. God says- you are more valuable to Him than you realize

Today He is reminding you that He is on your side. As His child, you can rest in the fullness of the truth. The truth's fullness is- God is for you not against you. The Lord is calling you today to watch your responses carefully to things that He has spoken to you. Stop DOUBTING what He said. He is saying, remember My child, what you look at determines how you walk it out and how you behave.

You can only respond in one of two ways; You are either walking in the flesh or walking in the Spirit. Human or fleshly potential ALWAYS leads us to a place of destruction. There is no middle ground. Godly potential leads us to a place of purpose.

It's time to really grab hold of the truth. The truth is that God Himself has a plan for your life. His plans for you can only be described as good and they are working together for your good. My friend, our God is able. His Word says so and He never lies. He is able to do exceedingly, abundantly far above all we can ask or think, according to the power that is at work within us (Ephesians 3:20).

It doesn't matter what situation you are in or what He has called you to do. The Lord is with you. The Lord has spoken to you and He will do what He says.
