THE END

We would like to take this opportunity to thank the Gaslight Board for allowing us to put on this production. A special thanks to Don Kaspar for his never ending source of support for the Gaslight.

Thank you Josh Kaspar, Bill Matthys, Krystal Patek, Jason and Megan Keel and Candace Warren, for the wonderful set construction; Judy and Lynn Jalufka of the Design Center, for the paintings; Deralee and Michael Pohler of Pohler Tire Center for the use of the golf trophies; Mike Patek of Parker Lumber Company, for his support of this theatre; Alan Kahanek of AK Enterprises for the use of the golf bags and clubs; and to the Raintree Florist for the beautiful roses.

Jim Winkenwerder, thank you for your assistance with lights and sound. Thanks to the House for all your hard work on hostessing, serving and cleanup. Reservations, as always, a wonderful job. Megan Warren-Keel, thanks for all your input, it was very helpful.

Last, and certainly not least, to our FANTASTIC cast and crew, your talents are amazing and your dedication to this play is greatly appreciated.
