Note: Harold and Mae have lived on the family's century farm for many years. Harold was born and raised in the area, and has been a business man in Cole Camp his entire adult life. For many years, they had draft horses, and collected many items of horse-drawn paraphernalia. The barns and sheds are full of items we could not see, so there will be more things brought out for sale day. We will be running two rings, so bring a friend and plan to enjoy what will prove to be a very interesting day!

HAROLD & MAE HESSE
