

GIVE

**When you get something,
Learn to share,
For those who don't have it,
Show some care.**

**If you get money,
In great amounts,
Give some to charity,
Every penny counts.**

**For everything you give,
Allah gives 70 times,
With this much Sawab,
Your Akhira will shine.**

**But giving isn't limited,
To money and treats,
It goes much further,
Giving love and being sweet.**

**Besides giving money,
Think what you can give,
Try and think of others
That's the best way to live.**
