

Memo

GSM's commitment to improving and exceeding customer expectations is evident by being selected as the 2017 supplier of the year by MSI.

Ponchatoula, la – July 2018 - Gulf South Machine (GSM) is honored to accept the distinction of MSI's 2017 Supplier of the Year. That GSM has been awarded this multiple times during our twenty eight year alliance provides evidence that we are committed to the customer/supplier relationship. GSM owner Larry Holak has recognized and stressed the importance of building and sustaining relationships by: communication, on time delivery, safety, quality, and continuous improvements to provide affordable services.

"Our customer's success is our success"
