SUMMER 2022 NEWSLETTER

PRESIDENT'S LETTER,

Well, we are in the hot and dry days of summer in my area . Even though there haven't been any shows to attend since the Pine Show in May, we have completed several projects. We have helped three schools with their agricultural programs. We feel that any time we can help our young people learn where their food comes from and the work required to produce it is a real success for the club. We have been able to contribute to these school programs from the sale of tractors, engines, and some shop tools donated to the club by club members. We will be holding our 38th annual show in conjunction with the Verde Valley Fairgrounds Fall festival on Oct 28 & 29, 2022. More details on the show in a later newsletter.
