Subject: Nebraska Surplus Lines Temporary Electronic Payment Available

Good afternoon,

COVID-19 has created unusual working environments over the last several weeks. Many of you have expressed concern over the ability to send a check for first quarter surplus lines taxes due to working from home. The Nebraska Department of Insurance is pleased to announce we have a temporary electronic payment solution for those of you unable to produce checks.

If you wish to pay 2020 first quarter surplus lines electronically first complete the form and submit to DOI.SurplusLines@nebraska.gov. We will accept an electronic signature from the licensee only, if you are unable to obtain that, we will accept an email directly from the licensee only attesting to the accuracy of the form. Once you have submitted the form, click on the link below to make the payment. There will be a processing fee of 2.49% added to the transaction.
