

CHESAPEAKE SECTION

CSAWWA'S SECOND ANNUAL VIRTUAL POSTER COMPETITION

All college students in the Chesapeake area are invited to our second annual virtual poster competition, which is scheduled to take place:

Saturday, June 26, 2021

Starting at 9AM

On Zoom! Link will be distributed to participants prior to the event.

You will be able to:

- Garner presentation experience in front of industry experts
- Expand your knowledge
- Network with water professionals
- Enhance resume and increase chances of employment
- And more...

Each poster will be judged based on

- Application of sound engineering/scientific principles to ensure the best solution
- Poster topics that provide the most benefits to the water industry
- Oral presentation of poster questions and answers
- Organization of the poster

You will have 15 minutes to present your poster, including time for Q&A. You will be assigned to a one-hour slot with another two presenters and will be waiting in the room until your turn. You will have the contact info of the judges to follow up with your presentation, questions about the industry, etc.

Email your abstract by June 18, 2021 to annie.ding@arcadis.com and include the following information:

- Name
- School
- E-mail address
- Title of presentation
- Your abstract (Please limit your abstract to 100 words. Feel free to add pictures, if you'd like!)

Due to the time constraints and platform limits, we can only accept the first 15 abstracts submitted. You can have up to two presenters for one submission.

Final results will be announced by email after the event.

(P.S. last year's poster winner is now the [reigning national winner!](#))
