Suzie's Special Hushpuppies

1 egg
½ Cup buttermilk
6 T. finely chopped onion (optional)
1 Cup Nora Mill Hushpuppy Mix

Beat egg with buttermilk (regular milk is fine, although buttermilk produces a lighter hushpuppy). Add Nora Mill Hushpuppy Mix and onions to liquid and mix well. Drop by heaping teaspoons into 375°F oil, cook until golden brown. *Makes 15 - 20 hushpuppies.*

Cheddar & Garlic Hushpuppies

1 egg
½ Cup buttermilk
½ Cup finely chopped onion
½ Cup shredded cheddar cheese
1 clove minced garlic
1 Cup Nora Mill Hushpuppy Mix

Beat egg with buttermilk. Add Nora Mill Hushpuppy Mix, onions, cheddar cheese, and garlic to liquid and mix well. Drop by heaping teaspoons into 375°F oil, cook until golden brown, turning once. Serve hot sprinkled with extra cheese. *Makes 15 - 20 hushpuppies.*

No need to deep fry! Just spoon batter out on a hot, greased griddle, turning once and cooking until golden brown and cooked through.
