## ★★★★★ 10/12/19 Lilly Pad

Excellent! Suggestion: would have been nice to have coffee to make in the morning.Since we are from out of town (Alaska) instead of having to wait til we left to drive somewhere to find a place for coffee. Also, we didn't find a hair blower. That would have been nice too! THANK YOU.

## ★★★★★ 10/12/19 Turkey Roost

We loved it here :)

## ★★★★ 9/30/19 Granary

Very nice place. We were able to see lots of stars in the sky as we hoped. Thanks for providing the map of Bedford County it was useful. We enjoyed using the grill and firepit. TV works well. Negative: bed is a double bed not a queen. Hard to access wifi during our stay. Could us a chest of drawers and a lamp in the main room (for reading, instead of using the ceiling light).
