Curiosity approach

A few weeks ago, we sent a letter out in regard to the Curiosity Approach and the steps we will be taking to pursue this. In the letter, we have identified some items which we are looking for to aid this. Please email us with any pictures of items that you are willing to donate. Please spread the word out to family and friends also. We appreciate your help with this.

For the attention of our school aged children.

It's the time of year when it becomes busy with transitions and meetings with your new teachers. We hope they are going well. The children are very excited to be starting school.

We will be holding a leavers performance on the 18th July, the time will be 10.15 and will be held in the school hall at Pewsey Primary School. Parents are invited to watch the performance - it will be no longer than an hour. This is for all school leavers to attend please if you are available.

On the 19th July will be the leavers party and all the school aged children will be invited to come in and party all together. This will be 10am-11:30am.

What's planned within the rooms this week:

Pre-School Room - Partying and celebrating the school leavers.

Toddler Room - The Toddler Room will be investigating the topic of green this week. From sensory objects / toys to their favourite green thing.

Baby Room - The Baby Room will be investigating the topic of orange this week. From sensory objects / toys to their favourite orange thing.

Cooked Food Menu This Week Is: Menu One

Please be aware cooked food is ordered each fortnight. Any new requests or amendments will be met as soon as we can.

Lunchboxes: Please could we ask that grapes are cut in halves or quarters this is because grapes can be a choking hazard to children under the age of 6. Thank you.
