Note: States colored in RED are under Shelter in place or Stay at home order.

Multiple states in the U.S. have issued shelter in place orders to delay the spread of the coronavirus. The shelter in place orders vary by state but typically require people to stay at home, excluding essential reasons such as grocery shopping or collecting medical supplies. The following states have all implemented some form of shelter in place or stay at home order, though the rules vary by state. Chicago Title Company was deemed an Essential Business under the directive, and as a result we will continue to work hard to provide our clients the services they require to close real estate transactions during this global crisis. As of March 28<sup>th</sup>, 2020, the following states have all implemented some form of shelter in place or stay at home order, though the rules vary by state.
