APPLICATION FOR TAP-IN

DATE: _____

NAME: _____

ADDRESS: _____

PHONE # _____

LOCATION OF TAP: _____

TAPPING FEES (Per customer unit)

3/4" Line	\$ 2,000.00
1" Line.....	\$ 2,300.00
2" Line	\$ 4,800.00

Meter Pits (where required)

3/4" Line	\$1,500.00
1" Line	\$2,000.00
2" Line	\$5,000.00

In addition, the customer must reimburse the Authority for the cost of any boring, paving or street opening permit required and the cost of paving such opening or openings as may be made in any street or highway in connection with the installation of the service line at issue.

“Tapping fee” shall mean a fee imposed by the Authority representing an amount that approximates what was previously paid for construction of the water system and certain anticipated future capital improvements.

**Upon the approval of the application of any customer for a supply of water, and the payment of the Tapping Fee, the Authority will tap the main, insert corporation cock, carry service pipe to curb, and install curb stop, meter and service box.

The Authority will be responsible for the maintenance and repairs of the service line between the main and the curb stop. The service line beyond the curb stop shall be installed and maintained by and at the expense of the property owner/customer.
