It is postulated that after the Rapture Event, it will then be after that the AntiChrist is revealed. And he will correspond to the initiation of the Covenant with the Many that starts the 2520 Day Tribulation Period.

SEASON OF NOAH BEGINS AND ENDS

COMETS OF THE POSSIBLE AGE OF THE BIBLE ANTICHRIST

The purpose of this illustration is to depict 2 Intersecting Comets of the mid-1990s that to some signaled the beginning of the 'Season of Noah'. That is to say that the comet Hale-Bopp, in particulate had not been seen since the Days Noah was completing the Ark and perhaps such a Crisscross Cosmic Sign pronounced the coming Judgment. Both Comets crossed the same Star Algol in the Constellation Perseus exactly 1 Year apart on April 11, marking a 'X' over the 'Evil Eye' of Medusa. Was this the Countdown for the 'Last Generation' as it was for the Days of Noah?

Jesus Christ attested to the Deluge Account as being a Fact and not Fiction in Luke 17. Most World Civilizations have a Flood Story. Jesus declared that before His 2nd Coming, the World would be as in the 'Days of Noah' and on the verge of a 'New World Order.' Note that 2 intersecting Comets of 1996 and 1997 could be the Confirmation of a Cosmic Countdown to the End of the 'Season of Noah' in this 'Last Generation'. It is believed Noah was born in 2006 BC, it may correspond to 2006 AD; it took 120 Years to complete the Ark. This could be a Clue to when the Judgment possibly starts.
