Summer Audit/Budget meeting date will be scheduled at the next meeting.

Reports from Executive Board

The April meeting minutes were approved and seconded.

Treasurer- Berenice Stewart- The beginning balance for the month was \$14,823.69 and the ending balance is \$13,680.03.

There was a deposit cash taken from Debut parents for show choir pictures. The expenses include props, copies, flowers for Mr. Auman, music education and instructor expenses for all virginia choir, all totaling \$1203.66. There are no outstanding checks. Mr. Clatterbuck will go ahead and purchase the music for next year.

Reports from Committee Chairs

Banquet- Lauren MacBlane and Tracey Coogle- For programs, Lauren needs to know who has paid for ads and which sizes they ordered for the spring concert program. We will provide Puritan Cleaners with a business size ad due to their help with Debut outfits. We will remove the ad for Thor. Shout outs are due by the 10th.

There is a sign-up genius set up for banquet needs. These two items need to be sent out in an email. Mr. Clatterbuck will buy flowers for the stage and hope to use them for the banquet also. The sign-up genius has two parts. The first is for door prizes, all needed by 5/24. There are 40 seniors. Anyone can donate 40 of something or just donate door prizes. Seniors will also be getting a blanket. The second part is for sign-ups for helping at the banquet. There will be one meeting for planning on 5/20, location to be determined. We still need people to help set up and decorate (2:30-6) and someone to take over this position for next year (and to shadow during the next few weeks of prep).

Senior tables will be in red, black tables for food and families. These will be provided by the Ginn's at a discounted price or as a donation to the program. Still deciding the most effective way to mark the tablecloths, possibly they can be embroidered. They are getting one cake and cupcakes because they are easier to serve. Investigating where to place the order. Need to verify with Marcie who paid for an ad for the Spring Concert Program. We have 59 bottles of water left over from the DC trip that will be used for the banquet.
