

## **About 3angles**

3angles supports maintaining a safe and reliable energy infrastructure by delivering innovative and cost effective nondestructive testing and monitoring solutions. For more information on who we are and what we do please visit our website [www.3anglesndt.com](http://www.3anglesndt.com)

To support our growth 3angles is looking for passionate and qualified NDT inspectors to join our ambitious team in Albany, NY.

## **Position**

We are looking for full-time NDT Technicians who can be certified in the following NDT methods: MT/PT/UT/ET/VT.

Responsibilities include:

- Perform nondestructive examinations on various power plant components according to in-house and customer standards and procedures.
- Ability to set up equipment, conduct tests, interpret and evaluate based on acceptance criteria and document the results.
- Communicate with client representatives on job scope, schedule and inspection results.
- Maintain shop facility, test equipment and tools in good working condition.
- Contribute to continuous improvements and innovations.

## **Job requirements**

The candidates should meet the following requirements:

- Can be certified in three or more of the following NDT methods: MT/PT/UT/ET/VT.
- Minimum of 3 year experience in NDT.
- Experience inspecting power generation plants including nuclear power plants.
- Experience in automated and advanced UT and ET inspections is a plus.
- Be familiar with reading and interpreting codes and specifications, engineering drawings and inspection procedures.
- Good communications skills both verbal and written.
- Proficient in Microsoft Office Word, Excel and Outlook.
- Willing to travel: most of the work is performed in power generation plants and in service shops during outage season (February-May and September-November). Mostly US and occasionally internationally.
- Live in NY or willing to re-locate.
- Must have a valid driver's license.
- Must have a passport.

Any job offer is contingent upon the successful completion of pre-employment drug and alcohol screen, background check and employment/education verification. All qualified candidates for this position must be eligible to work in the United States without VISA sponsorship.

**Pay and benefits**

3angles offers competitive pay with a great benefits package. Benefits include medical health insurance, dental insurance, life insurance, short and long term disability insurance, 401K with company match, 20 paid vacation days, 8 paid holidays, per diem when traveling, and more.

Great opportunity for someone who is looking to advance their career.

TERM: Direct Hire with Full Benefits
