

# Transforming Smiles

in Beverly Hills

"I take a comprehensive approach to dentistry. I am passionate about not only restoring smiles but also reconstructing the surrounding structures that support the teeth, joint and airway."

- KATHERINE AHN, DDS

BEFORE

AFTER

1 This 34-year-old patient was concerned by her narrow smile and irregularly shaped teeth. Dr. AHN placed 10 Empress® porcelain veneers on her top teeth to get her patient-ready.
