SEPTEMBER

President's Message

Looks like the Summer is almost over, Kudos to Arlene Kubat and crew for another great picnic. So many members helped from morning coffee, donuts and bagels, to cooking, to games and homemade side dishes. Thank you all, you make me proud. Everyone enjoyed the picture game, and how about that cute little boy in the boy scout picture 😊. As you all know, all the pictures are on the picture page, which you can access on the web site. We also gained a new member there, Miles Yengst, welcome Miles.

My special thanks to everyone who were able to attend or sent donations for the memorial car show in memory of my brother, Mike.

To everyone going to the big Labor day weekend show/parties, Lead East or Dead Man's curve. Have a great time and stay safe.

The annual meeting of the members shall be held at the **October** meeting, at the time and place set by the designated member for that month. This being for the purpose of electing officers and for the transaction of such other business as may come before the meeting Up for election is the President and CTCI Representative. Anyone wishing to run for these positions must be nominated at or before the September meeting (meaning 30 days before the October meeting)

Looking forward to seeing everyone at the Sept. meeting,
Pat LeStrange

Vice President's Message

Weather has been decent. I cannot believe August is almost over soon September will be here and kids will be back in school. It was a very fast summer. So let's get our Tbirds out to cruise nights and car shows and enjoy the open road for the next two months.

Mel Ramos had heart surgery because the last stent he had put in went bad. He is on the road to recovery. Bob Heissler and Judy are having some health issues, hope they start to feel better soon. Paul Schroll had eleven stitches in his hand, he cut his hand while working on his Tbird. No nerve damage, feeling better. Joan MacMillian just finished another round of chemo and radiation. Please keep everyone in your prayers.

Labor Day weekend is approaching, which means it's time for Dead Man's Curve and Lead East. Whichever show you go to have a great time and safe weekend.

I am not sure whether or not we are having a Fall cruise. We will discuss it at our September meeting.

Now to our picnic. What a great day it was. Once again weather was on our side. I want to thank our cooks, Mark, Ron and Paul Adamoff. Great job guys. As for all you ladies and men that stepped up to help me, thank you so much. Diane Szura I do not know where you get your energy from, but thanks for all you did. For those who made the salads, thank you and Bill Downing thanks for the chili. We had games some of us played. We did a Who's Who contest to see who could recognize us as teenagers, it was fun. We had two winners, Lois Martin and Theresa Perrillo. They each won a prize of their choice. We had two trivia games. Paul Adamoff ran one and gave out prizes and Bill Downing ran the other trivia game. The men won that one this year. We also had a nice surprise, Steve Handy brought ice creams pops, they were sooo good. We gave away some left over Tbird gifts,

umbrellas, wine bags, tote bags, etc. everyone was happy.

Thanks again everyone. Hope you all had a good time.

Next meeting, Sunday, September 17TH Delizias in Boonton, 2:00. Hosted by Paul Dorne. Please notify him one way or another whether or not you are going to the meeting.

Have a great Labor Day, be safe. Arlene

August Meeting

There was no formal meeting. There was a very brief meeting at the picnic. No business was conducted.

Picnic 2023

It was a lovely day for a picnic. Moderate temps, sunny, light breeze - so some 12 little birds came out. Great group of people - some 40 members and guests were present. The

club provided dogs and burgers and the members brought all kinds of other delicious eats. We had games (bean bags, horseshoes) and two trivia contests put on by Paul A and Bill D. Our able chefs, Paul A, Ron Case and Mark did a great job.

Bill Downing's trivia game was based on 50's/60's items and the girls where pitted against the boys. Unlike last year, the boys took a commanding lead and won.

We had a guest, Miles Yengst, who joined the club.

In addition, it was Al Cirinelli's birthday and Joan Notar's was the next day so Lorraine brought a cake to celebrate

The contributions of all the members contributed to the successful picnic. Many thanks go to Arlene who co-ordinated everything
