

Hi Everyone:

The LVHS is warming up with spring activities in May-June. First, we are visiting David & Margaret Youth and Family Services on **Saturday, May 18, 2019, from 11:00am-12:00pm**. See the attached flyer and learn the history and current services offered by this important organization. There is no charge for this tour.

Also scheduled on **Saturday, May 18th, 2019**, Ontario Heritage is sponsoring tours of four houses and the Chaffey Memorial High School Library from **10:00am-4:00pm**. Tickets are on sale at Logan's Candies and the Graber Olive House in Ontario (we've visited both places). Plan a day of history by enjoying the David & Margaret tour and Ontario's home tours. The home tour flyer is attached.

Our yearly bus event is a day in Redlands to tour the Kimberly Crest House and Garden, followed by tours of the Lincoln Museum and A. K. Smiley Library. This event will include a catered box lunch and transportation courtesy of Los Angeles County Supervisor Kathryn Barger. A flyer is attached and the time to contact me to reserve your seat is NOW. Participation is limited to 55 so save a place for yourself and enjoy this event on **June 1st, 2019, from 10:00am-4:30pm**. As soon as you reserve you will receive details about the lunch menu and payment. A flyer is attached. If you have not visited these venues you won't want to miss this opportunity to visit the fabulous Kimberly Crest house and tour the largest collection of Lincoln memorabilia west of the Mississippi.

On **Monday, June 10th, 2019, at 6:30pm**, the LVHS will have its summer member and community meeting in the Meeting House at Hillcrest. Please note that we are starting a little early to accommodate all the activities that are planned for this evening. First, there will be a short presentation that I am calling "LVHS Behind the Scenes." We will talk about ongoing LVHS activities that don't appear on the member calendar but support our motto and mission. At **7:00pm Professor Al Clark** will talk about how he creates oral histories and why we should all think of ourselves as historians. Finally, we will visit the Gallery at Hillcrest at **8:00pm** where we'll celebrate a new photographic piece entitled "Gabriel's View." The exhibit "Story of La Verne" is also open and will have been visited in May by all third graders in the Bonita Unified School District. Refreshments will be served at the gallery.

Thank you for recognizing the value of living in the community of La Verne through your participation in LVHS activities.
