November Director's Message

It was good to see everyone at our November gathering. The good weather continued to be with us for the evening. The tables were sprinkled with chocolate morsels for those with a sweet tooth to enjoy as they worked on the evening quiz. We were given a sheet of facts about the beginning of Thanksgiving including important dates and changes over the years with four possible answers for each statement. After dinner, Alvah gave us the correct response for each statement. Another challenging exercise for our minds!

There are several changes in leadership coming for EWMA. Anita Alkire and Bruce Beeman are stepping out of the day-to-day operations and are going to focus on corporate business. Bob and Nan Shrader are stepping back from the presidency and into an advisory role. Bob Hudnel is stepping into the president's role, which leaves his role as VP Operations, Regions B&E open. Bruce and Tina Gebhard were asked to fill that position and they accepted. This left the Region E Director role open. Rich and Donna Wesolowski accepted this position. Mark and Roberta agreed to move up to Iowa/Nebraska District Directors. Rich and Donna will continue to be the IA-O Chapter Directors.

Dan, Alvah, Carolyn and I joined several IA-O members for a good ride to Breitbach's in Balltown, IA, in November. We met Dan & Alvah at 8 a.m. to ride to Davenport to meet the others for the ride. We rode up to Miles, IA, to pick up Donna, then over to IL at the Sabula, IA, bridge. From there we continued north onto Blackjack Road into Galena. West of Galena we went North into Wisconsin (on a very nice blacktop road) where we picked up 151 East into Dubuque and then up to Balltown where we enjoyed a very nice lunch. We had a good ride with a few sprinkles of rain going up and some wind on the way home arriving about 4:45 and clocking just over 300 miles.

(continued on page 2)

As a reminder, there are lots of leaves falling now. As we get some rain, these wet leaves will be like ice on the roadways. Be extra careful when driving through them. Also, the deer are still very active and searching for mates. They can appear in a roadway in less than a heartbeat so be alert to movements along the side of the roadway. When driving at night, be vigilant for reflections of eyes on the side of the road.

Upcoming Events Include:

Nov 18, H-2 Coffee, 156 East, 156 East Main, Galesburg, 5:30 p.m.

Nov 21, Lunch w/IA-O, Filling Station, Bishop Hill, 11 a.m. (Meet at the Restaurant)

Dec 3 (**Wednesday**), H-2 Christmas Party, Packinghouse, 441 Mulberry St, Galesburg, **6 p.m.**

**Until Next Time, Be Safe,
