## Director Update

### Accepting GUIDANCE

Here we are with a year of doing God's work at the Salvatorian Mission Warehouse under our belts, and the roller coaster ride continues.

The shipping industry continues to be a struggle as we try to get containers to countries that have been hit hard with the aftermath of the COVID pandemic. We get cries for help as rising prices makes it impossible for the people to purchase food and clothing.

We are excited to say that one of the projects that isn't affected by the issues with the shipping industry is the Ghana Rice Project. With the support of so many generous donors, we were able to send money to a local mill in Ghana. They distributed rice to 18 missions there since the beginning of the year. We also sent money to newly ordained Salvatorian priest, Fr. Simon Muema, in Kenya, so he could purchase rice for his and surrounding communities.

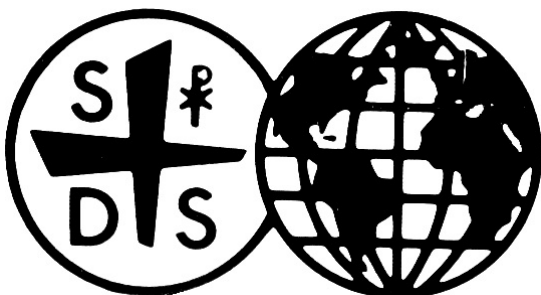

As we grapple with the day to day difficulties, I think, why can't this be easier? We are trying to do good for so many people in need around the world. It is then that I think about an article in the church bulletin that attracted my attention.

The article looked at the word GUIDANCE. If you break down the word, you can easily come up with God, you and I dance. As our daughter who ballroom dances would tell you, you can only have one leader while dancing. If both partners try to lead, it turns into a pushing match instead of a beautiful dance.

Each day, we need to remind ourselves, and more importantly accept, that God is the leader of this dance and we just need to follow his lead. If we do this, beautiful things will happen.

## Honduras Container News

*A poor man did not have diapers, nor money to buy them, and he was crying from happiness because he will now have diapers for a week. I will never get tired of saying thank you my friend for your donations; we are so grateful for your help.*

*The beans and cracker sticks are a blessing for many families who sometimes don't have anything to eat. The crackers are used for the children for when they go to school; for some it is their breakfast and for some it is their lunch.*

*Everything you share with us is a great blessing for our poor. We have a new container and it had crutches, walkers, wheelchairs, canes, diapers; they are such a blessing for people who require these things. I will always be grateful to you and this foundation.*

## Warehouse Volunteer & Donor Celebration

*Please join us for a morning mass and lunch to celebrate our wonderful volunteers and donors. Mass and a catered lunch will be held at the Mission Warehouse on September 11, 2022. The mass will begin at 10:00 am and the lunch will begin at 11:30 am. No RSVP is required.*

*We look forward to seeing all of you!*

## Ghana Rice Project

*I want to take time to say thank you for being the most generous donor any charity could hope to have. Thanks for your commitment and generous donation of 75 bags of Rice. We would not have accomplished our mission of giving hope to every vulnerable person we come into contact with. Your commitment and continuous support is the reason we are making a positive impact in the lives of the vulnerable we serve.*

# Ghana Soup Kitchen & Container

With the rice we sent to Ghana, they were able to hold a soup kitchen and also distribute food sent to them in a recent container.

“The soup kitchen project fed 600 children and 290 adults. It was a successful program which showed kindness to 5 communities in the Agotime-Ziope District. All thanks to the Salvatorian Mission Warehouse. God bless you all.” -Rosalyn, Ghana Contact

Cracker sticks were the highlight of this container. Look at all of the smiles on the kids faces!

# other news...

Recently, Fr. Scott, Sr. Dora, and Br. Regis celebrated their Jubilees with the Society of the Divine Savior – Salvatorians. Our founders, Br. Regis and Sr. Dora celebrated 70 and 65 years respectively and our advisory board member, Fr. Scott celebrated 60 years. Congratulations to them!

## The Directors Corner ...

Since the last newsletter was published, our grandson, Graham, was born. He and his parents are both doing great and we even had the opportunity to go visit them in early July. We are over the moon with excitement being first time grandparents and can't wait until we can go visit them again.
