April 2024

As April ends, with warmer weather, flowers in bloom, Earth Day and a once-in-a-lifetime solar eclipse taking place, much is happening both in Albany and at home. With the ending of the budget season, the second half of our legislative session begins in earnest, as there is so much legislative work still to finish. At home, we have our Electronics Recycling Event on Saturday, May 18th and our Shredding Event on Saturday, June 1st, upcoming. Both events take place at Destiny USA's Pink Lot off of Solar Street. You will find the links to sign-up for both events below. I look forward to seeing everyone there.
