Dear Beatrice:

On behalf of SCO Family of Services, we would like to thank you for your generous donation of toys and blankets this holiday season. During this difficult year, your support helped brighten the holiday season for those we serve. Because of you, we provided new gifts to almost 5,300 individuals in our care.

SCO is the largest human services organization in the New York metropolitan area, providing a wide range of early childhood, youth development, family support, housing support, and foster care programs, as well as programs and services for people with developmental disabilities. SCO has provided vital human services throughout New York City and Long Island for 125 years.

We greatly appreciate your support. If you would like additional information about SCO Family of Services or our giving program, please do not hesitate to contact us at 631-213-0155 / mkatzman@sco.org (Marnie) or 631-213-0175 / lforgione@sco.org (Lisa).

Thank you once again for making the holidays special for the men, women, children, and families of SCO Family of Services.

Sincerely,
