

Delaware Region, Porsche Club of America
April 20, 2020 Executive Board Meeting (via Zoom)
(revised 2 June 2020)

The meeting was called to order at 7:08 pm.

Attendees: Fred Stapleford (President), Les Clarke (VP), Bill Boyd (Secretary), John Reader (Treasurer), John Capanella, Matt Bowe, A.K. Kissell, George Pearson.

Upcoming meetings: Brett Lunger is still scheduled for June 10. This is all dependent on whether the restaurant is open and whether a large group is permitted to convene then. People will probably be anxious to get out and do things by then, if permitted. Brett has been nominated for the Delaware Athletic Hall of Fame.

We have a June 13 commitment at the car parade to the New Garden Airport.

We currently don't have plans regarding a July meeting. Stanley's was doing takeout, but is now closed.

Recognitions: The April 2020 issue of Porsche Panorama magazine had the picture of our 60th anniversary cake in the "From the Regions section". The picture was taken by our very own George Pearson.

Summer picnic: For the summer picnic, we have paid \$5 for a liquor license for the event. There haven't been other financial commitments at this time. John will check on deadlines for further financial commitments, such as to the caterer. We're continuing to plan on the picnic on July 11. We hope we will be able to gather by July.

Holiday party: Hagley Museum is currently closed, but we are still on for the party. Party will probably cost more this year than last, especially if we cannot arrange for a reduction in cost from Hagley's. Last year's experience indicates that the ticket price being \$45 did not result in more participation than if it had been \$60. A DJ would cost less than a band. There's a guy who plays electric piano with a saxophonist who plays on Sundays at the Redfire Grill on Sundays who might be worth considering.

Driver's education: Registration is not open yet. The NJMSP is closed. No one knows whether this event will happen this year. We've given \$13,000 to NJMSP to hold the date for this. Is this deposit refundable if it doesn't happen?

Meeting adjourned at 7:44 pm.
