

## **Kenneth T. Warrior, SSgt, USMC**

Assigned to Det 2, Da Nang in (Broadcast Specialist) in 1968.

He's in a state veterans' cemetery, but it appears the word "Fidelis" was abbreviated in an unusual manner. Odd. I hope it gets corrected. Incidentally, the phrase Gros Ventre refers to his American Indian tribe. I have not been able to locate an obituary, but am in the process of piecing together a few paragraphs on his life. There should be a bio sketch on the MACOI Website in July.
