

# **Karen Reynolds**

## **Canine Training/Handling and Environmental Consulting Credentials**

### **Summary**

Karen is the Co-Founder, majority Owner, and President of Environmental Canines Services LLC (ECS). She has trained her own ECS canines and worked with them all over the country. In addition, she is the Trainer for ECS East Coast, West Coast, and Midwest region Canine/Handler teams and the Project Manager for all projects.

Karen has been a professional dog trainer and working canine handler for over 25 years. She has competed in dog sport trials, owned dog training businesses, and served as President, Head Trainer, and Canine Handler for a canine search and rescue organization in Oklahoma. Karen trained and worked with her air scent, tracking, and human remains detection canines on missing persons cases and worked with her disaster trained canine in one of the biggest tornado disasters in Oklahoma's history. They were inducted into the Oklahoma Veterinary Medical Association Animal Hall of Fame for their search and rescue work during that disaster.

Karen has a Masters degree in Clinical Psychology from Southern Illinois University-Edwardsville and a Bachelors degree in Business Administration from the University of Oklahoma.
