

Hey Region 20

I hope everyone is doing well and staying safe. Did anyone get out and put a few miles on? May is Motorcycle Awareness Month. Get out and ride!

As we all know the meetings are still canceled due to governor's orders until further notice. We will be updating everyone as things change... which has been daily lately. We are posting updates on Facebook as well.

A few announcements: WE STILL HAVE A FEW BIKE TICKETS ... CONTACT THE RC IF YOU WANT ANY. We are still selling Awareness signs if anyone wants them. They are \$10 each... again contact Bus. The field meet has been postponed to July 17-19!! Flyer will be out soon! We are asking everyone that can to attend the Freedom Rally in Lansing on June 3 2020. We will be meeting at Burger king in Perry at 9:30 am. All are welcome. Pray for good weather!

On behalf of region 20 we would like to wish our condolences to George Bennet on the passing of his father.

A quick note from the RC: Again... Love to you all! STAY SAFE!! We will see you all when we can get together again, Hopefully Soon!!
